Flash Flood

*Flash flooding occurred along Bear Creek in Boone County on 06/10/2002, with the creek going out of its banks. Several trees were flattened alongside the creek.*

Heavy rainfall occurred over parts of Boone County and resulted in flash flooding in and around the Harrison area. Up to 3 inches of rain fell in Harrison in about 2 hours, with reports of as much as 5 to 6 inches of rain in the Batavia area. Highway 392 was covered by high water near Batavia. Bear Creek went out of its banks, about 6 miles northwest of Harrison, and covered two lanes of U.S. Highway 65 at the Bear Creek Springs community. Also at Bear Creek Springs, five people had to be rescued from flooded businesses near the creek. One person who was rescued was taken to the hospital for treatment of a laceration. A nearby campground was also flooded.
